

## Sharpak 18 PLUS sharps container with **VisiLOCK™** PATENTED

With small volume usage and portability in mind, the 1.58 litre SHARPAK 18® has been developed to offer a sharps container that is not only compact but extremely versatile. Made from a robust plastic, the SHARPAK 18 is suitable for the vast majority of sharps disposal needs without occupying valuable space. Pre-assembled for convenience, this container offers all the qualities normally associated with a UN/BS SHARPAK product, including an easy to operate rotational open/close/lock closure, needle and vacutainer removing devices, and a strong integral handle to suit wall and trolley mounting.

The SHARPAK 18 offers the following features:
